Hello! I'm Ahmed and want to share how my habits have changed. In the past, I woke up late on weekends and didn't exercise much. Now, I wake up early and exercise every morning. It makes me feel strong and happy. I used to watch TV all day, but now I play football with friends every Friday. Before, I loved chips, burgers, and sweets. Now, I eat more fruits and vegetables, which give me important vitamins. My favorite snacks are apples, bananas, and carrots. And I drink water instead of soda.
